# TRADITIONAL BATHROOM INSTALLATIONS ARE A THING OF THE PAST

Mod Pods are high quality, pre-fabricated, modular bathroom 'pods' delivered to your location, ready-to-install, in a fraction of the time and at a fraction of the cost of traditional installations.

Modular Pods International offers standard and bespoke pods for domestic and commercial applications.

## Why work with us?

There's no minimum order. We're able to supply any quantity, from a single Mod Pod up to a large trade order.

- 35% cost reduction on traditional bathroom designs.
- 72-hour delivery in England and Wales for 'standard' range.
- No minimum order values. From 1 x pod to large commercial quantities.
- Demountable pod design allows easy access through a standard width doorway.
- 4 – 8 hours installation time per pod. Excluding studwork & service connections.
- Lower access bathroom pods available.
- Massive range of 87 different sizes and designs.
- 18 years product manufacturing pedigree.
- Perfect solution for both domestic, trade, public sector & industrial applications.

You won't be able to tell the difference between our prefabricated high quality pods and a traditional bathroom installation
